

## **SuperCopier® 8" T3 Portable Unit - Complete Kit with i7 CPU, Thunderbolt 3.0 port, and TB 3.0 Expansion Box with NVMe**

Part Number: KIT-C005

- 8" Color LCD Touchscreen Display
- 4 SAS/SATA Ports and 8 USB3.1 Type A Ports
- Thunderbolt 3.0 Port (60 Gigabit/s)
- Thunderbolt 3.0 Expansion Box with NVMe SFF-8639 (2.5") installed.
- SCSI KIT with cables and adapters
- SATA adapters (M.2 SATA, mSATA)
- USB Hub
- MMC Adapter

### FEATURES

- Mirror Duplication Mode: Duplicate drive by bit by bit imaging, with HASH value.
- Quick Capture Clone Mode: Clone and Deploy file system only, scan and detect automatically all the partitions, scale partitions, adjust partitions, relocate partitions automatically
- Selective Imaging of files and folders with user filters
- VHD copy
- Linux Secure environment
- Add on function of Erase with DoD 5220-22M, DoD Lite, Security Erase protocols, Sanitize and User mode with erase verify
- Log files and erase certification

Thunderbolt 3.0 Port & PCIe 3.0 Expansion Box with NVMe supports

### Fast & Affordable

#### Acquire data From:

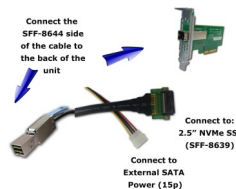

- ◆ HDD: SAS/SATA/IDE/SCSI/USB3.0/USB3.1/TB
- ◆ NVMe SSD (M.2, SFF-8639, PCIe Controller)
- ◆ Multi-Media Cards
- ◆ SAS/SATA SSD
- ◆ USB Storage Devices

#### Clone Options

- ◆ Bit by bit Imaging
- ◆ Quick Copy of Partitions - only data
- ◆ Selective Copy of Files and Folders
- ◆ VHD copy

## THE 8" T3 FIELD COMPLETE KIT INCLUDES:

- Hard carrying case (IM2500 on wheels)
- The 8" T3 SuperCopier Portable Unit
- 4 Ports USB3.0 HUB
- Miniature USB Mouse
- Compact USB keyboard
- Ultra Slim SATA adapter
- M.2 SATA adapter
- mSATA Adapter
- USB3.0 to MMC Card Reader
- SCSI KIT supports 50, 68, 80 pins
- NVMe KIT: supports M.2,, 2.5" SFF-8639(2.5"),  
PCIe memory cards
- Thunderbolt 3.0 to PCIe 3.0 Expansion Box

For M.2 NVMe SSD:  
use this  
adapter and  
connect it to the  
SFF-8639  
cable above

## System Specification

CPU: Quad Core i7—8th generation

Memory: 8GB DDR4

PCIe bus: Gen 3

SAS2.0 controller: 12Gb/s SAS/SATA Internal  
Storage: 128GB mSATA.

OS: Linux Ubuntu

Power Supply: Universal auto switching 192W  
UL/CE/PSE approved.

Input voltage: 100-240V/50-60Hz

Net Weight: 5.5 Lbs.

Unit Dimensions: 10.6" x 7.7" x 3.15"  
(270 x 194 x 80 mm)

Environment: 5°C - 55°C (40°F-130°F)

Relative humidity:

20-60% non-condensing

Carry Case Dimension:

23.96" X 16" X 10.01"

Shipping Dimension of the KIT:

Weight: 32 Lbs. Box : 24" x 18 x 12"

## THE MAIN UNIT HARDWARE FEATURES

- 4 SAS/SATA Ports (29 pins): 2 Sources and 2 Targets
- 10 USB3.1 Ports: 2 Sources, 8 Targets, 2 are Gen2 (Type A, Type C)
- Thunderbolt 3.0 port (60gigabt/s)
- e-SATA port
- 8" Touchscreen color LCD display
- Display Port (DP) and HDMI port
- 1GbE port
